

Jail Service

There is a need for women – and men - to offer meetings at the Sudbury District Jail. Meetings are held on Saturdays from 2:30 to 3:30 pm. All material is on-site as it is for a regular meeting. We go in teams of two on a rotating basis.

One to One meetings with individuals are also part of what we offer outside of the regular Saturday meetings.

This is an amazing opportunity to give back what you have been given and share *your* experience, strength and hope.
